London sent over its usual range lower prices which were mirrored at or opening in small fractional losses. As the session were on the floor traders put or new lines until mid-day when there was a slight rally on short coverings, be this was followed by another dip which closed quotation at the lowest of th session. London was a steady seller of Americans throughout the session. Fear that the Baltimore and Ohio ma

have to cut its dividend on the cor mon stock is causing owners of Uni-Pacific warrant to dispose of them rati er than take the Baltimore and Oh-shares to which they are entitled. Rock Island Stronger.

Rock Island securities showed a fair evidence of strength early in the se sion, due to short covering, but the a parent hopelessness of pushing throug any reorganization in the immedia future caused further offerings. The d benture is continued weak, declinit more than four points, while the refun ing 4s dropped one and one-half points.

The renewal of gold exports to the amount of \$2,500,000 is not expected, a cording to foreign exchange experts, be short lived. It is not believed the ou-ward flow will continue for more tha three weeks when the exports of cott and grain will cause a drop in exchang

and thus terminate the movement.
Gold shipments at this time of the year are unusual and according to experts were precipitated by the covering of fiwere precipitated by the covering of n-nance bills which had been put out, and the sharp rise in foreign discount rates, together with the heavy foreign selling of Americans. These influences have caused the exchange to advance from 4.8755 last week to 4.88 today. Call money continued easy around 2 per cent. Offerings of money on call by 1. P. # ARDWICK HEIGHTS

# Washington's Beautiful Suburb

A Strictly High Class White Subdivision

The suburbs of a large city always represent the best home investments. They grow with the city and correspondingly increase in value.

Particularly is this true of the National Capital—and nowhere in all suburban Washington will you find such an investment opportunity as that presented at beautiful ARDWICK HEIGHTS right now.

ARDWICK HEIGHTS is delightfully located on a high elevation. It is with-

in 15 minutes' train ride of Union Station (with 20 trains a day and a round-trip fare of but 13c on monthly ticket). . It is situated directly along the line of the Pennsylvania Railroad and is within 10 minutes walk of the W., B. & A. Electric Railroad and 35 minutes by trolley to heart of the city.

To accelerate development we offer 600 lots only to first-comers at the following prices:

# Terms--\$1.00 Down--25c a Week

This unusually liberal offer is, indeed, an innovation in real estate circles. You won't miss the small amount each week and in a comparatively short time you will have a lot paid for. It is just as safe and a great deal more profitable to invest money in real estate than to bank it-and especially is this true of ARD-WICK HEIGHTS.

ARDWICK HEIGHTS offers inducements rarely found in the vicinity of Washington. You will not be required to pay any taxes; in case of sickness we

carry your payments six months; no interest is charged; electric lights and sewerage will be laid in the near future without charge to purchasers.

TO INSPECT—Take Baltimore and Annapolis electric car to Ardmore from 1 to 6, or take 1:10 or 3:15 train to Ardwick Station on the Pennsylvania Railroad. For further information and free car tickets call at this office, which remains open until 9 p. m. and Sunday until 1 p. m.

SPECIAL—Teams will meet you at Ardmore on the W., B. & A. Electric Line from 1 to 6 Sunday to drive you to property.
